

2023 Possibilities Summits

Explore the possibilities in your community

We believe who you are makes you better at what you do.

Expand your personal network, cultivate top industry skills, and explore the wealth of opportunities available at Goldman Sachs. Possibilities Summits is our two-week virtual campus program. Our program provides robust professional development, transparency into the recruitment process, and engagement with our people and leaders.

Let us invest in you. Learn to:

- Boost your “story of self” to showcase your unique assets
- Upskill your technical skills through our Level Up series
- Enhance your resume and interview skills
- Cultivate connections with Goldman Sachs professionals and community
- Select candidates may have the opportunity to interview for 2024 summer analyst roles
- A select group of participants will be invited to our In-Person Summits
