

GOLDMAN SACHS: The GS Guide to New York

Our New York office is in Battery Park City, which is filled with quintessentially New York City offerings. Many of the city's highlight attractions are right outside our doorstep

New York City is the most populous city in the United States of America

Our office is located at 200 West Street, New York, NY 10282

Rockefeller Center hosts the famous annual Christmas tree, which ranges in size from 18 to 30 meters (60 to 100 feet) tall from year to year and is covered with over 50,000 LED lights

New York City, New York, is the most linguistically diverse city with over 800 languages spoken, and 4 in 10 households speak a language other than English

The New York Stock Exchange is the largest exchange in the world

Quotes:

- “The view from the New York office brightens up my work day and helps me reset throughout the rest of the day” – Evan, Global Markets
- “I can always find food and music venues that will connect me to home” – Emy, Consumer and Wealth Management
- “I have never experienced such a diverse office setting in my career and the openness to bring your whole self to work” – Minsi, Investment Banking
- “I organized a Community TeamWorks for my co-workers where we visited the Afghan Women’s Community Center in Queens” – Marina, Consumer and Wealth Management
- “It’s a great place for little kids – so many choices, so many activities, and getting around by subway or bus or ferry is part of the fun” – Jason, Executive Office
