

1. Which branches/streams are the applications open for?

A: The program is open for all engineering students across streams meeting the eligibility criteria.

Graduation Year: 2024 Summer Internship: Graduation in 2025 (*Intern hire April/May intake*)

2. What is the program structure and timelines?

3. Would there be any flexibility in the program duration?

A: The program timelines have been mentioned on our website program page. We will keep all eligible candidates who have registered for the program posted in case of any changes.

4. What is the duration of the entire program?

A: The duration of the full program is 15 weeks.

5. How do I register for the program?

A: You are required to follow the below steps to register for the program:

While you are on the link, it will prompt you to register with details; user name, password, email ID etc. (please enter these details correctly because they are equally important; if you encounter any available details erase them and re-enter)

- At the top right-hand side of the page select 'Register'
- Create a new profile by completing the registration details
- Once you submit your registration you will be navigated to the home page – select '**Apply Now**'
- Select 'Summer Analyst' (Internship Programs)
- Once you have reached the start of official application, please ensure you **only select the below position preference options to ensure your registration is captured**
- 1. Recruiting Year – "**2024**"
 2. What position are you applying to – "**Summer Internship**"
 3. What program are you applying to – "**Summer Analyst**"
 4. Please select a location – "**Bengaluru**"
 5. Please select a division – "**Engineering Campus Hiring Program**"
 6. Please select a subdivision – "**General**"
- Please do not click on the "**Add Another**" option given
- Please select rest of the options that are applicable to you and do not forget to save and continue
- Complete the rest of the application with any test details and '**Submit**'

Please note the indicated location preference above is not a guarantee of your work location. The final decision of location will be taken by the firm.

6. Will I receive any confirmation regarding my application to the program?

A: Yes, you will receive an email confirming your application towards the program from the Goldman Sachs India Campus Recruiting Team once the registration window closes. Please note that you will receive this email only if you have successfully registered for the event as per the steps mentioned above.

7. What will be the mode of the program?

A: The program will be held virtually using Zoom and Hackerrank

8. I see several program options on the website under “Programs and Internships” for India. Which one should I apply to?

A: If you're applying for the internship program, please select “Summer Analyst” under program and “Engineering Campus Hiring Program” as division while registering. APPLICANTS WHO REGISTER FOR OTHER VACANCIES WILL NOT BE INCLUDED

9. What will be the duration of the Aptitude Test and Technical Test?

A: The duration of the tests will be around 2 hours

10. Do we need to keep the camera on during the test?

A: The tests are proctored and the cameras need to be on for the entire duration of the test.

11. What will be the duration of the Coursework?

A: 3 weeks

12. Will the study material be provided during the coursework?

A: Yes, the study material and other resources will be provided during the coursework.

13. What is the “USP” of this program?

A: This program will help the students upskill themselves and get a sneak peak into the Life at Goldman by interacting with the Leadership of the firm.

14. What is the Stipend and Package for students selected through the program?

A: We will be sharing the compensation and stipend details with the shortlisted students and placement committees of their respective colleges at a later date.

15. What will be the location of our joining?

A: The decision on the location will be taken by the firm closer to the joining date. It would either be Bengaluru/Hyderabad.

16. For any other information related to the program
