

**Notice of William Beaumont Hospital's Intended Participation
in Auction Process, and Post-Auction Disclosure Concerning Borrower's Bidding in
Auction of Bonds Issued for Its Benefit**

- Name of Conduit Borrower: William Beaumont Hospital
- Name of Issuer: City of Royal Oak Hospital Finance Authority
- Name of Bonds: Hospital Revenue Bonds (William Beaumont Hospital Obligated Group), Series 2006R
- CUSIP No.: 780486EV4
- Outstanding Par Amount: \$64,125,000
- Official Statement dated : March 14, 2006

Statement of Intent:

The Conduit Borrower intends to bid for the amount of Bonds specified below, at the interest rate set forth below, on the Auction Date set forth below. Completion of the Conduit Borrower's bid is subject to the availability of funds on the date of the Auctions.

After the establishment of the Auction Rate on the Auction Date, the Conduit Borrower intends to continue to submit bids in subsequent auctions. Thus, if following such Auction Date there remain any Bonds that have not been acquired by the Conduit Borrower pursuant to such auction, an Existing Owner will have the opportunity to submit a Sell Order at the next auction, and sell the Bonds held by such Existing Owner, in accordance with the same procedures currently applicable to the submission of Sell Orders by Existing Owners.

It should be noted that the interests of the Conduit Borrower are different from, and, in fact, may be contrary to, the interests of an investor because the Conduit Borrower is

seeking to establish the lowest interest rate on the Bonds, while an investor generally would seek the highest interest rate on the Bonds.

Conduit Borrower Representations:

The Conduit Borrower hereby represents that (a) the interest rate set forth below is not less than the interest rate reflected on the day prior to the Auction Date as the 7-Day SIFMA Municipal Swap Index, and (b) with respect to the Auction Date that is the subject of this notice, the Conduit Borrower will promptly give notice for such Auction Date of the same information as is outlined below for the immediately preceding Auction Date.
