
Michele Della Vigna
Global Investment Research
London

Michele is the Commodity Equity business unit leader in EMEA, coordinating strategy and content across the Global Equity Energy and Natural Resources teams in Global Investment Research (GIR). He is a member of the GIR Client and Business Standards Committee and European Investment Review Committee.

Previously, Michele was co-head of European Equity Research from 2014 to 2017, and was co-manager of the Commodities and Energy business unit in European Equity Research from 2009 to 2014. He joined Goldman Sachs in 2001 as a financial analyst in European Energy Equity Research and was named managing director in 2009.

Michele earned a bachelor's degree in economics from Bocconi University in 2001.
