

## **Risk Committee Charter**

### Purpose of Committee

The purpose of the Risk Committee (the “Committee”) of the Board of Directors (the “Board”) of The Goldman Sachs Group, Inc. (the “Company”) is to assist the Board in its oversight of the Company’s overall risk-taking tolerance and management of financial and operational risks, including market, credit and liquidity risks.

Risk assessment and risk management are the responsibility of the Company’s management. The Committee’s responsibility is one of oversight and review.

### Committee Membership

The Committee shall consist of no fewer than three members of the Board. At least a majority of the Committee shall consist of members of the Board who the Board has determined are “independent” under the rules of the New York Stock Exchange and the Securities and Exchange Commission’s heightened independence rules for members of an audit committee. At least one member shall have experience in identifying, assessing and managing risk exposures of large, complex financial firms.

Members shall be appointed by the Board based on the recommendations of the Corporate Governance and Nominating Committee and shall serve at the pleasure of the Board and for such term or terms as the Board may determine.

### Committee Structure and Operations

The independent directors, taking into account the views of the Chairman of the Board, shall recommend for approval by the Board one independent member of the Committee as its chairperson (the “Chairperson”). The Committee shall meet at least four times per year, with further meetings to occur, or actions to be taken by unanimous written consent, when deemed necessary or desirable by the Committee or its chairperson.

The Committee, including through its Chairperson (as appropriate), shall liaise with the Board’s other committees as the Committee may determine to be necessary, desirable or appropriate, such as with the Audit Committee with respect to the review of the Company’s risk assessment and risk management matters and the Compensation Committee with respect to consideration of matters relating to compensation policies and practices.

The Committee may invite such members of management and other persons to its meetings as it may deem desirable or appropriate. The Committee shall report regularly to the Board summarizing the Committee’s actions and any significant issues considered by the Committee. Such reporting shall not be required if all directors are present at the Committee meeting at which such actions or issues are considered or if individual directors not present are otherwise informed with respect to such actions or issues as appropriate.

The Chief Risk Officer of the Company shall report directly to both the Committee and the Chief Executive Officer of the Company. The Committee will meet separately with certain members of management, including the Chief Risk Officer, when and as it deems appropriate.
