

Our Progress

Follow our journey to investing the first \$1 billion of our \$10 billion initiative and the first \$20 million of our \$100 million philanthropic commitment.

1. Our investment journey began with 60 listening sessions with 20,000 Black women and girls to learn more about challenges and opportunities where investment capital could make a difference.
2. As a result of these listening sessions, 2 new programs were created: *Black Women Impact Grants* and *One Million Black Women: Black in Business*.
3. Through these programs, Goldman Sachs made 116 investments in organizations, companies, and projects spanning 24 states and impacting an estimated 184,000 Black women.
4. We committed over \$20 million of our \$100 million philanthropic commitment in our first 18 months.
5. \$1 billion of our \$10 billion investment goal reached in our first 18 months
