
Marine Abiad

Global Banking & Markets

Paris

Marine manages the Equity Structured team in France. She helped build the firm's French franchise, focused on Environmental, Social and Governance, and created an index range in collaboration with the Carbon Disclosure Project that focuses on primary environmental challenges. Marine joined Goldman Sachs in 2010 as an analyst and was named managing director in 2021.

Marine serves on the board of the Global Fund for Children.

Marine graduated from Université Paris Dauphine and earned a master's degree in Finance from the ESCP Business School in 2010.
